

GOODWILL MESSAGE

**Arc. Musa Mohammed Sada *fnia*,
Honourable Minister, Ministry of Mines and
Steel Development.**

The Honourable Minister of Mines and Steel Development, Arc Musa Mohammed Sada *fnia*, wishes to identify with the Nigerian Mining and Geosciences Society (NMGS) on the occasion of the hosting of the 48th Annual International Conference and Exhibition of the Nigerian Mining and Geosciences Society which holds at Eko Hotel and Suites, Victoria Island Lagos on March 20, 2012.

This year's theme which is: *"Unlocking Geosciences and Mining Technology for Investment Opportunities and Development in Nigeria"*, is germane, as it captures the very essence of the

present administration's transformation agenda which essentially focuses on measures that will bring about rapid economic transformation, through creation of wealth and job opportunities in the country.

The conference will bring to the fore the advances and research findings made in the mining sector and will discuss the various opportunities therein as well as ways through which investors can utilize the conducive environment created by the government to invest in the sector.

The Honourable Minister, therefore, wishes to congratulate the NMGS and other partner organizations for hosting the annual conference and exhibition; and to warmly welcome all the participants especially the foreign delegates to the event.
